Be equipped with the facts you need to make wise decisions

- Anticipate the Significant Issues
- Understand the Risks
- Avoid Unpleasant Surprises
- Increase your Leverage in Negotiations

Before entering into any agreements or transactions, it is imperative that you be fully informed about the risks, liabilities or other adverse findings that may exist in relation to your prospective venture.

PJL Lynch Investigations & Countermeasures specialises in gathering all the facts necessary for companies and individuals who are analysing a potential opportunity either here in Australia or overseas.

Assistance for the Legal Profession

Law Firms have come to rely on **PJL Lynch Investigations & Countermeasures** for assistance in preparing their clients for all types of undertakings, including executive hiring, contracting, mergers & acquisitions. By engaging our talents and capabilities for the research portion of their efforts, solicitors are able to focus on their primary concern - providing thorough legal counsel to their clients.

PJL Lynch Investigations & Countermeasures offers you the security of knowing what to expect as you prepare to take your next steps. We are experienced in identifying factors which could lead to higher-than-stated risk exposures and can help you and your solicitor be prepared for possible matters involving workplace relations issues, regulatory violations, or potential product liability threats emerging from a corporate subsidiary – just to name a few.

Due Diligence Services include:

- Research of Corporate History, Ownership, Structure
- Disclosure Verification
- Criminal and Litigation Background Research
- Audits of Financial Disclosures
- Internal Security & Control Audits
- Forensic Accounting
- Fraud Examination
- Locate any Unstated Legal or Financial Liabilities
- Formal or Discreet Interviews with Knowledgeable Parties
- Media Research for Significant Details or Events
- Local or Overseas Business Intelligence
- Locate prior co-workers/business partners/associates

PJL Lynch Investigations & Countermeasures Pty Ltd offers many additional advantages to our clients:

- Global Network of highly-proficient and trusted associates
- Qualified expertise in Fraud Examination and Forensic Accounting
- Extensive experience in recognising/addressing Liability and Security Concerns
- Formal and discreet inquiry methods for ascertaining corporate solvency and background information
- Personalised, scaleable solutions to meet each organisation's needs.
